“ May the service she provided for God's people, speak for her. Let God say, "Well done thy Good and Faithful Servant".

“ I served with Earline in the State House. She was one of those people gifted by Divine Providence with a ready smile. She was an indefatigable worker for causes near and dear to her heart. She was a genuine servant leader. When I was working on crafting Charter School legislation for the state of North Carolina in the mid-1990's, i visited LIFT Academy. She wanted LIFT to become a Charter School. She led it to become one the first in the state. She really lived her life in such a way that showed the watching world that "Life is not a problem to be solved, it is a gift to be enjoyed."

“ To the Parmon Family: I consider it an honor to have known Senator Parmon. Her down-to-earth demeanor and candid personality spoke volumes. It's so meaningful to work with legislators who tirelessly fight for their constituency and treat their staff in the same manner. Senator Parmon was one of those legislators. May God shower you with his love and comfort.

“ Hi, I'm Mrs. Berlinda Baker-Benjamin. I was saddened to hear of Mrs. Parmon's passing a couple months ago. I attended HKon J with her in Raleigh NC in 2006. She was very pleasant and had bought Bojangle's sausage biscuits for everybody on the bus. I had also ran into her @a community event @ Rupert Bell park where she took pictures with former WSSU alumni and friends. Her constituency and state political background will be remissed by all. God bless her memories. Now she is with her husband Albert.

“ Ms. King we that are children of the most high God know when our Mothers go home to be with the Lord, there is a void in our lives. Yet we trust God when he said I will never leave you nor forsake you. Yes, it will hurt for a while and it's ok to cry. Even in the midst of these trials God is right here with you. The joy is... no matter how much she loved your Dad, she is rejoicing in Jesus right now...all my love to you and your family...Ms. Kimbrough

“ Our hearts are sad at the loss of Mrs. Earline Parmon, member of Alpha Kappa Alpha Sorority, Incorporated. We had great respect for her work with and for the citizens of North Carolina. We all have fond memories of her and her annual presentations to our organization during our North Carolina Legislative Day in Raleigh, NC. She would always keep us apprised of the needs of our citizens and our communities, especially as it related to those whose access to resources were minimal. May God bless all family and friends of a great lady whose love and respect for the people was significant.

“ Senator Parmon was a kind-hearted person with a beautiful smile. She loved people and I know she cared dearly for the people she represented. She was one of the first people that I met when I began working at the NC General Assembly. To be candid, she was a down to earth person who never wore her title as a legislator as a crown. I will always remember her genuine persona. From my perspective, the world would be much better place if all leaders followed in her footsteps. My deepest condolences to her family.
