“ *Ms. April has been a beacon of light for me and my family. She has known us for many years and ministered to me in my time of grief just a few weeks ago. She was truly an angel on earth with a heavenly voice and a pure and loving spirit. My thoughts and prayers are with her family. I know she will be missed dearly.*

“ April Browns spirit was a living example of Gods love. She never gave up on anyone and loved everyone the same and wanted nothing from anyone. She was the most encouraging person in your life and wanted nothing the best for you. If you were lucky enough to be someone she called friend or in my case little brother you experienced pure love. She left us with many nuggets to help us throughout life... I can still hear her reply to no matter what is, "Its gone be alright little bro, God got you" and you knew when she said it she meant it...thank you for being a willing servant of God and people especially children in need. We will carry on!

I love you and I'll miss you forever big sis

“ April Brown was the light in my darkest times. I hadn't seen or spoken to her in years but I know the love she had for me never changed. She was a mentor, mother, sister, friend. Whatever you needed her to be she was just that. I'm going to miss her beautiful voice and that beautiful smile. I love you Ms.April, truly gone too soon! Rest up beautiful

“ To the famiy of April Brown. May God hold each one of you in his hands during this time of sorrow and always. Celebrate the wonderful life April lived and the precious memories God allowed you all to create with her. My prayers are for God to provide you his peace, comfort and strength. There's was only one thing that April loved more than her family, and that was Jesus Christ. April did a mighty work for the Lord, at New Zion Church. the life she lived was on the Pathway to Peace, the Roadway to Righteousness, the Highway to Holiness, the Doorway to Deliverance and The Gateway to Glory. Forever in my heart. Your Cincinnati family. Michelle Owens
