Sending warm thoughts and prayers to all of you. Bernistine and I spoke several months ago, we share thoughts of trying to make an opportunity for us to get together. Time is so fleeting, therefore, we must make the opportunity to share our love with one another, in as many ways as we can, while we can. Bernistine and I were middle school and high school friends. We would gather at her mothers house and sing, we just knew we were going to be stars one day! Her mother would always cheer us on and tell us what a great job we were doing. We sang in the talent show with Cara high school and then went on to East Forsyth together. I loved Bernistine like a sister and she loved me. She will be missed and her memories will live on forever! 💔👉❤️❤️❤️🙏 Take your rest in peace. Your sister in Christ Jesus, Thelma (Cookie)
