“ Family,

My condolences. Thank you for sharing Bishop with us. He was a father figure, pastor, and friend. I could count on him not to sugar coat anything. Through the years he prepared us for this time even though I did not want to hear or accept that this day would come. That day is here far sooner than I thought it would be. Now we all have to continue to look to the shepherd of our souls, Jesus to get us through until we meet again.

God Bless You
