You have ran the race and finished your course. You used the gift that GOD has given you to teach his people his word and his way. Now take your rest, for your fight is done. We will continue to pray for the Moore, family, Pauline, Warren, Paula, GOD will comfort you in this time and you can lean on him.

“ To the family of Rev. Dr. Green Moore,
As I look back on remembering Mr. Moore, my thoughts bring me back to the times when I would be outdoors cutting the grass. As most people whom know me personally, know that I am not an outdoors person. Well, it was those times that I would be outside cutting grass I would see Mr. Moore going about his business. By the time that I would get around to the portion of the yard that separates the houses, Mr. Moore would walk over to where I was standing to see how I was doing! He would stand patiently and wait for my reply. As usually I was fine, but of course he didn't know that until I gave my reply. Once I replied, he would go on his way. You know that's what good and Godly neighbors do! The reason that I would be fine during these times, was because whenever I would cut the grass, I would always be listening to sermons, and it was because of these sermons that I would be in a state of tranquility. Therefore, from this day forward whenever I cut grass I will always be reminded of Mr. Moore's concern for my well being!

Sincerely,

Debra (Davis) Rucker
