“ Gary was like a brother, I've been hanging out with my friend since Western Sizzler Steakhouse in Winston Salem! We were homies in Las Vegas Nevada!!! If I had show tickets, I would always call my homie so we can rollout!!! He used to cook me Southern fried chicken livers in our backyard!!! He hung out at our home whenever we wanted to cookout on these grills!!! We were just talking about when this virus gets lifted that we will be going to hit these grills!!! We love Gary and he will surely be missed around here!!! May he rest-in-peace!
