“ *James will be greatly missed in the community. He was incredibly well mannered and respectful - he had a truly giving heart. I genuinely enjoyed getting to know James and thank God for crossing our paths. He taught me a lot and although I will miss him dearly, I will never forget him.*

“ I had the pleasure of coaching James in little league baseball during the summer of 2000, when he was 11 years old. He was such a joy to coach, always enthusiastic and always wearing that big smile of his! I never forgot James but lost track of him over the years. Just a few years ago, he was the driver for one of his family members having a medical procedure at the office where my wife worked. She recognized his name and asked him if he was the same James Roseborough who had played little league all those years ago and indeed he was. She called me on the phone and James and I had a great conversation, ending with James telling me he loved me and me telling him the same.

For me, James personified the best things about little league baseball in particular and humanity in general. His passing makes me incredibly sad and I extend my sincere condolences to his family. God bless you James, I will never forget you and I hope you Rest in Peace.
