“ *So sad. I just found out about Jeff's homegoing this month. I worked with Jeff at Jostens for 16 in the folder dept. Also before I've known Jeff for since the '70's; we grew up in the same neighborhood, playing ball together and just shooting the breeze. The week before I found out of Jeff's passing he came to mind and I was thinking how I would like to run into him and catch up on what's up in his life. Truly we will meet again in glory. We all one day we be taking this journey. Jeff was a man with a quick smile and a even quicker laugh. It was a joy to have known and worked with Jeff. I extend my condolences to his family.*
