Keep breathing, and God will do the rest. LHM how it hurts! Thank you Father God of our Lord and Savior Jesus Christ! Lord we Hallow thy name. I don't know this family personally, but Father God. I send my condolences out to them. This could have been anyone of our babies. I don't want to begin to imagine what they're going through. I'm sad because they're sad. Please comfort them with your Holy Spirit and wipe the tears from their eyes. You promised you would and that you would be with us until the end! I know you're with them even if they don't feel you right now. I know you're working it out for their good. Lord so many of our children are being taken away by gun violence. I pray that you change the stony hearts of all that have taken the precious gift of life from our children with a gun. Lord I pray for all families who have experienced this same tragedy. Father God. Show us what and how to stop these since less acts of violence from occurring. We pray for people in the streets to the Cops on the block to turn from their wicked ways. Help our nation to take all of our problems to you and leave them there. You are the answer to every problem you said Vengeance belongs to you. You will repay everyone for their deeds. Dear Mother of this precious young man. Who was slain to young! Apparently they don't know that they've just destroyed Jhari and all his descendants that he could have had in this world and they will reap what they've sowed. I pray that he knew the Lord! Mother. If he was right with God you will see him again! In Jesus name I pray Amen! God has not forgotten you. Love you all FWG
