

Jimmie D. Jeter

May 2, 2026

Jimmie “Sputney” Jeter entered this world on January 27, 1966, and peacefully departed it on May 2, 2026, leaving behind a legacy of laughter, warmth, and unwavering love.

“Sputney” wasn’t just a nickname — it was a spirit. People would light up the moment he walked into a room. He had a rare gift for making every person feel not just seen or heard, but genuinely loved. Whether through a joke, a conversation, or simply his presence, he made people feel like they mattered. He was a devoted father and grandfather who loved his family deeply and unconditionally. His legacy will live on through the lives he shaped and the love he gave so freely.

And “for real for real”... that “Janke” Sputney will live on forever.
