“ Mrs. Glenn,

I just learned of the death of your husband and I am so sorry. I know he was a wonderful man as you spoke of him so often.

I also want to tell you how much I appreciated all you did for me and taught me while I was at Paisley. I was very fortunate to have you there to guide me. You always told me you would teach me what I needed to know to become a principal and you certainly did.

My prayers are with you and your family. I will always hold you in my heart.

*Prayers and love,

“ *I will miss seeing Mr Green this year at the Dixie Classic Fair! For as long as I can remember I have saw him hauling ice to the vendors. The last few years he has barrowed a mower from my work the week of the fair to use. I enjoyed seeing him and speaking to him as he passed through. I knew when I saw him and his classic truck pull in to pick up the mower fair time was here. I never saw him without a smile on his face! May God wrap his loving arms around his family and give them peace knowing he is in the presence of Christ. †*
