“ To my family:

As no one can prepare for the loss of a loved one, especially their father, mother, or siblings. Johnny X's love has always been with each one of you and losing him is one of the deepest sorrows your heart can take. His goodness, his caring, wisdom, and knowledge and legacy of love will live in each one of you.

Lift your hands to God and ask him for strength to get you through your time of bereavement. He will answer your prayers.

Hold on to God's unchanging hand and he will provide with a healing. To the children. Your father has reached his final resting place with God where he can watch over each one of you and provide you with the guidance that he has already bestowed in you.

Each day when you pray, ask God to keep you away from the wicked and in his care. He got you.

Let my words be a foundation for the corner stone to bond this family for life and share his memories.

Much Love

Tim and Linda Williamson
