“ I enjoyed knowing Joey in his high school years, as his teacher at New Life Academy. Joe was a good-hearted youth who lived with courage to follow his Christian convictions and boldly witness the love of God in his life.

Joe was well-liked and influential in school and church. Summer Church camp was one of his greatest joys and he lived life to the fullest, in his youth.

“ My sincere condolences to the Lash family. I worked with Mr. Lash at Glenn High School and he always had a kind and encouraging word to share with anyone. Peace and comfort to you during this difficult time. -
