“ I miss you so much and I apologize for not seeing through the deception & lies then. However, I was blinded through the magic & spells as well with my food, jobs all being manipulated. Only thing kept me safe was my faith & the most high. I remember the last conversations we had & I know this was no accident by no means! That being said, your passing will not be in vain on everything - I'm standing on bizness for all who's fallen too our evil(satanic) family & fake friends. " Get yo popcorn ready" & watch the exposing of these fakes for insurance fraud, identity theft & all the other scams. "I AM THE Truth" & the Generational curse breaker - All praises to the most high 🙏
