“ Words are so hard to form. But I know.....
Tears that rolls down eyes will one day smile.... But I know
We all say we love you and we do cause we knew.... But I knew
The days you called and you complain.... I should have did more to
help your pain.... But you told me when you are no longer here to
make sure you don't fade away..... I will hold your wishes as you
told me to do. You will always be my brother. Now Rest In Peace
