“ *Marci there are no words to express how much you're missed! I keep expecting you to call and tell me to pick you up at the train station. I know you were ready to go, but my and the rest of your friends' hearts weren't. You're loved and missed forever! Rest well my sister!* ”

Valette A Byrd - January 01, 2022 at 10:30 AM

PW

I am so sorry to hear of you passing away we have had some times together while I was transporting you on Trans Aid. Rest in peace and you will be missed. Princilla White
