“ Ton & Jamie (still June bug to me)
Margaret will always have a special place in my heart. She had three kids most days, with me tagging along. I learned all my card game skills, dance moves, and music education in your house. From shopping, church, family reunions and more, she always let me come along. I miss those fun days with all of you. She was an amazing lady that will be sorely missed. Sending love to you across the miles.

Love,
Martha

“ *Satonya and Jamie:*

Your Mom was a wonderful lady. From the first time we all met her, we were family. The endless afternoons hanging out in the yard to the weekend barbeques with the Lane's and Evan's. We all loved her and I know that my mom is really going to miss their football dates. She was such a vibrant lady who knew how to make a stranger feel welcomed. There is a huge hole on this earth....Sending lots of love and prayers to you and your families.

Baby sister and Brother- Ma was my second Mom. I loved her so much and we all shared so many memories dating way back when we were all kids growing up on the block. We had good times, good conversations and Lord knows that woman could cook and feed everyone. I am glad I was Blessed to know her and grow up as one of her kids and also to have very recent ongoing conversations which I will cherish. Love to you both. Lucy and Erica Marion
