“ Wanda, Rose, and Walt I send my heartfelt condolences during this difficult time on the passing of Mrs. Maxine. She was a true gem and light to this world. I worked with Maxine as one of her managers for several years, her energy and warmth was magnetic. We became very close and she became a second mother to me. She was so full of wisdom and gave the best advice. I'm heartbroken by her passing, but I find solace in knowing this angel we were all blessed with was a faithful servant has earned her crown. I'll always remember the impact you made in my life. I'll miss and Love You forever Mama Maxine. Rest peacefully ❤️

*Blessings family. she was always happy and very encouraging. I remember riding our school bus before she graduated. I remember her coming with her grandfather to visit my grandfather and us. They had some strong conversations about the church . I met up with her again while I was in nursing school and she was living in Winston. Maxine was a joy and I'll always love her.*
