“ We are so sorry for your loss. May you continue to be comforted by God, family and friends. (2 Cor. 1: 3&4)

“ I just wanted to send my sincerest condolences to the family and dear friends of Mrs. Washington. I am terribly sorry to hear of her untimely passing. I know that dealing with the death of a loved one is literally one of the hardest things a person can go through in life, especially when you feel they didn't get to live as long as they should have. What helped me when dealing with the death of my loved one was that of relying on the God of all comfort. I'm sure it can help you all to get through this difficult time as well. God never wants to see us suffer. 1 Peter 5:7 states, "Throw ALL your anxiety on him, because he cares for you." Allowing God to bear ALL of your pain and heartache is the best thing you can do for yourself. With much love, Carmen Sheffield.

“ Meme was adoring, cherishing, loving, caring, kind hearted, and her boyfriend reserve was bright. My heart is hurting so bad to hear of this loss to your valuable life. Lil Angel, Chanel and I were reminiscing Friday evening 8/12/16 and we wondered if you were gonna attend the reunion. Chanel then was telling us she seen you and you were well. Saturday 8/13/16 in the evening we were informed of your passing and couldn't believe it. I was upset because I wish I had known and was able to attend your celebration of life. So I'm sure is speaking of you on Friday evening was a coincidence....it was for reason. 🙄
