“ *Bobby ... better known too me as Pee Wee”. This has really hurt me kind of hard. I think of you, Joe and Rita coming to my house while your parents would go fishing. We would pick fruit from everywhere. You name it we’d eat it. Plums ,apples pears and even berries. You name it we ate it. Also playing “Alligator “ in the big ditch in front of my house. My favorite was Tic Tag as you were leaving and your dad would say “Pee Wee get back in the car”. You had snuck out for a win. Later years we talked about how good God is and chit chatted about other stuff. I love you and will truly truly miss you. I won’t hear you call me Cuz” anymore but you’ll always be a favorite. Well I guess you really did win you got to be with Jesus and I know He will take care of you. With never ending love .. Pauline*
