“ Never was my soul or stomach empty when I visited my dear friend Richard (Flip) and in particular Mrs. Nancy Flippin. She was very humble and a wise woman who many of us in the hood wondered how she understood us young folks so well. I grew up with her children and as a result learned the same great life lessons from her. God is welcoming you with open arms.

I worked with "Ms Flip" at Kern Street School and Thomasville Primary. She was funny and always helpful to the children and staff. I can still hear her unique laugh. I was privileged to be with her on her special birthday last year. She has earned her wings. Much love to the family, Jane Hill
