“ *Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.*

“ *Words cannot begin to express how heavy my heart is today as you get laid to rest. I never considered you as a friend because to me you were far more then that. You were the little brother that I never had. 1238 Robinson Ave. Apt. C and D is where it all began as neighbors. We played together, laughed together, cried to one another, and had one of the best relationships that anyone could ask for. I will forever cherish all of the memories that we shared and take comfort in knowing that you are in Heaven having the time of your life hanging out with JT. Save my spot until we meet again on the other side. Love Always your brother Darryl "Lyce" Lisath!!!!*
