“ We have sooo many memories. It just seems unreal. From grade school, through High School! Wow! The last time we talked you told me you were going to the hospital. Little did I know that that would be the last time we talked. You worked so hard to take care of your Dad & now you are gone only 5 months later. Rest well my friend!

“ For the family and friends of Ray Ray! He was a wonderful man. Honest, caring, hard working. We called him my at work husband when he was here at Forsyth County. It didn't matter where I would ran into him at, Ray was always ready to take the time to catch up. It was quite an honor calling him a friend.
