“ *I will always have fond memories of my older Brother. He was the Unofficial Mayor of Winston Salem When I went to visit him he took Me everywhere to meet the family and along the way we would be at a corner waiting for the light and people would be talking to him about everything and anything. He was a kind soul always wanting to show off his baby brother. Rest in heaven Big Bro tell all our family we miss them love you*

“ Last year I had the privilege of being in North Carolina on business and was able to visit Uncle Sam. He was in great spirits and for a couple of hours we sat there and talked, I picked his brain for every bit of history about the Bowman family he could muster. I remember walking away from that conversation thinking just how intelligent he was! He was nobody's fool and had an excellent memory. I was blessed to get to see him so recently. Rest In Peace Uncle Sam.
