“ I am so deeply sorry to learn about the death of Shirley Scott. I had the unique privilege of working with her while she served as a substitute teacher in the Winston-Salem Forsyth County School System. She was always very kind and thoughtful. I pray that the precious memories of Shirley will forever live in your minds and hearts and that these memories will remind you of the wonderful person that she was. Death is certainly mankind's biggest enemy, but the bible assures us that one day we will see our loved ones again by means of the resurrection. John5:28-29 What a wonderful time that will be! In the meantime, please know that you are in my thoughts and prayers!!

“ Sorry for your loss. I was sad to hear about Shirley. She'd recently sent a message to me by my son to say hello just a day or so before she passed.

When I heard the news my first thought was that she probably missed her sister as Mrs. Naomi Jefferies, passed earlier this year.

May God bless and keep you all during this season of life.
