“ We remember the last family reunion cookout in Kernesville. It was a lot of fun to see China singing along and moving to one her favorite songs. We also have many videos and memories of little China as the focus of the family. It tough right now, but we're blessed to have her as part of our family heritage and for the advice she passed on to her many cousins. We know she's still with family here on earth and with family that passed on before her. Love you much!!
