“ My Memory of him was when he took me out to find my first apartment in that little blue car , then most recently when I saw him on his new scooter and he was smiling and said I got me some new teeth .

My boy was smooth everytime I saw him. Never asked for a dime no matter how he was doing. Every time I saw him he always had a smile on his face. Rest in Paradise Boo!

“ *Vierl, I am still at loss over your passing. I recently saw you and you laughed and smiled as you always do. My fondest memories of you are from our childhood in Asheville. It's funny how we both ended up in Winston-Salem. May God give your family peace. My sincere condolences.*
